

Dr. Plant Platform: Detailed Role-Based Audit

A comprehensive visual report of pages, forms, and accessibility per user role.

1. Authentication & Onboarding

Form: Auth Login

A mockup of a login form titled "Welcome Back" with the subtitle "Log in to manage your fields". It features two input fields for "Email address" and "Password", a prominent green "Log In" button, and a link for "Don't have an account? Sign up". A small circular logo with the letter 'N' is in the bottom left corner.
